Step 2

The system will display the Service of Process selection screen. Here you select the specific event you are docketing, such as *Summons Returned Executed*, *Summons Returned Unexecuted*, *Waiver of Service Executed*, or *Waiver of Service Unexecuted*. For this lesson, we will select *Summons Returned Executed*.

Available Events (click to select events)

Step 5

The system will display the *Select the Party* screen for you to select the filer, then *Next*.

Step 6

The system will display the *Party Served* screen for you to select the party(ies) (defendant) who was served. If multiple defendants were served, hold down the *Control Button* and select all parties served, then *Next*.

Step 7

If the summons was returned executed, the system will display a *Date Served* and *Date Answer Due* screen. On this screen, enter the date the defendant was served in the *Date Served* field, and press *Tab*. The system will automatically generate a proposed answer due date (21 days from the service date) in the *Date Answer Due* field. When filing *Summons Returned Unexecuted*, this screen will not appear.

Enter date served and date answer is due

Party	Claim	Date served	Date answer due
Allstate Insurance Company	- Complaint	3/20/2006	4/10/2006

Next Clear

Note: There is a separate event for service on government agencies, which proposes an answer due deadline 60 days from the service date.

Step 8

The system will display the final docket text screen and chance to correct any errors in this transaction. If the transaction and the text are correct, click *Next*.
