PRETRIAL ORDER #2A
Telephonic Appearances at
Lead Counsel Status Conference

The Court has received several requests by various plaintiffs' counsel to participate in the status conference scheduled with Lead Counsel on September 16, 2015 by telephone. The Court has considered this request and concludes that it would be useful for counsel, and the parties, to have access to all court proceedings through an audio teleconference link to the courtroom, with the understanding that such participation would be limited to listening to the proceedings without the opportunity to address the Court. The Court's audio teleconferencing system linked to the courtroom does not have the capacity to accommodate the number of counsel and parties that the Court anticipates would utilize such access; and for that reason Plaintiffs' Lead Counsel are directed to propose to the Clerk of the Court on or before August 31, 2015 a remote dial-in access system, with all costs to be born by the Plaintiffs.

The Clerk is directed to forward copies of this Order to all counsel of record.
