ORDER MEMORIALIZING RULINGS

This order records two rulings recently made orally and by email.

1. The fact sheets referred to in Section 3 of Pretrial Order no. 7 shall be served on Defendant's Counsel not later than November 20, 2015.

2. With the exception of the documents marked LLI 00019435-00019466 in the "Prop 65" litigation, *Global Community Monitor et al. v. Lumber Liquidators, Inc. et al.*, Case No. RG14733979, Alameda County, California, Superior Court, Co-Lead Plaintiffs' Counsel in MDL No. 1:15-md-02627 in this Court may now have access to the documents produced in the "Prop 65" litigation from Plaintiffs' Counsel there, and shall be subject (a) to the protective order there* and (b) to a claw back provision equivalent to the one there or the one in the ESI order entered herein on October 20, 2015, whichever is more favorable to Defendant. This material is also subject to the protective order entered herein. Co-Lead Plaintiffs' Counsel in MDL No. 1:15-md-02627 may not disclose any of this material to other plaintiffs' counsel until further order or production of the same material pursuant to a demand herein other than RFP 17, whichever shall first occur.

* Counsel for Defendant herein advised this Court that to counsel's knowledge no provision of the protective order in the "Prop 65" litigation would be inconsistent with the present order.

It is so ORDERED.
