Joe,

I have access to the "white pages" for Paris but for all of France may be too tall of an order. I go to [redacted] tomorrow (Wed) and I've been told [redacted] that they are going to try to have more info for me then, hopefully info that will further confirm Moussaoui's identity. I'll advise you on both matters as soon as I get something.

Regards. Jay.

Jay,

Heard back from HQ on this FISA search issue. They are concerned that we can not confirm the Zacarius Moussaoui we are dealing with is identical to the one known to [redacted]. We know the French believe it's the same person that conducted recruiting for Chechnya.

In an effort to demonstrate the probability, which we believe is low, can you determine just how many Zacarius Moussaoui's are listed in the white pages in France. Mike Maltbie will need a number for the MP FISA package.

Apparently, the FISA will be pursued based on the connections between Moussaoui and Ibn Al-Khatib, Commander of the Chechyan Mujihadeen and known UBL associate.

Please e-mail the number. Thanks.
