Subject: Fwd: EL-HADJ NDIAYE lead results.....

Greg,

Oklahoma City continues to fall short of expectations. Apparently they interviewed one person (not the several people described in Billings' previous E-MAIL) to rule out Ndiaye. On top of that, the person he interviewed sounds like he is close to Ndiaye and would therefore be willing to throw the Bureau off the trail.

Anyway, we know for future reference how weak they are.

Harry
