MOUSSAOUI Children
I AE 175/78

Your Honor,

In relation to the Educational Supervision measure for the MOUSSAOUI children, dated 8/17/1978, I have the honor to inform you that so far, no particular incident has been reported.

But during a visit made to Mrs. EL-WAFI, mother of the children Jamilla and Abd-Samad MOUSSAOUI, she told us of her wish to separate from Mr.EL-KADI, the man with whom she has been living for the last 4 years. She claims he has a "seductive attitude" towards the two MOUSSAOUI daughters. Not wishing to place her children at risk, she says, she has asked Mr. EL-KADI to leave her home tomorrow evening, Wednesday May 23.

Incidents could arise because Mr. EL-KADI refuses to go.

We will keep you informed of any changes in the situation of the MOUSSAOUI children.

Yours very truly,

The Teacher

A.M. Pouliquen

The Director

J.f. Kharchafi
