Re: Deposition of Shadi Abdalla

Dear Mr. Moussaoui:

I stopped at the Alexandria Detention Center to see you today with a copy of the photograph of Shadi Abdalla as you had requested. I asked the deputies to see if you were willing to see me and was informed that you did not. I will come back to the jail next week with the Shadi Abdalla photo for you to look at to determine if you know this person. If you wish to look at the photo, please inform the deputies that you are willing to see me.

I look forward to meeting with you.

Yours truly,

Alan H. Yamamoto
