Re: VISA

is here known

Dear Mr. Binalshibh,

Thank you very much for sending me the fax.

Please be informed that Miami language school was not able to send the paperwork by FEDEX (over night), because they didn't have a physical address (just your P.O.Box). The only possibility was to send it by normal mail, which takes of course some days!

If you do not get the paperwork in the next days to the mentioned P.O.Box (approximately 10 days) so somebody can forward it to you to Germany, please inform us and we need to send it to you to Germany again (extra mailing cost has to be charged to your flight account) .

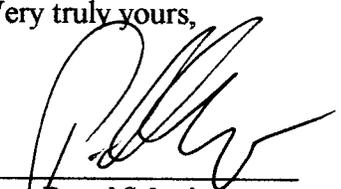

Then we will use the following address (please change if wrong):

Ramzi Binalshibh
Billstederstr. 14a (or 149 ??)
22111 Hamburg
Germany

In addition please let us know when you are planing to come to Florida (regarding plans for the flightschool and the ticket to USA)

You can call me anytime on my cell: 001 941 286 7749

Very truly yours,

Pascal Schreier
Vice-President FFTC
