Hi Zuluman,

Nice to hear from you again and Happy New Year to you also.

Concerning the payment plan, normally the student is required to pay at least 1/3 of the course price down upon enrollment, 1/3 in 30 days and the balance around 30 days after that. If you pay rating by rating, you will be charged on a rating per rating price, which is \$24,985.00. I will however let you pay just your private first to see if you like it and like us before committing all the way.

There are 3 hotels that we use, The Ramada Inn is \$35.00, the Holiday Inn is \$40.00 and the Residence by Marriott is \$49.00 and I would arrange that for you.

The private pilot though will take longer than one month. It usually 6-8 weeks because the privates are very hindered because of the weather. If you was to come during the summer, you may be able to finish it in less time.

If you want to wait until to change your visa, that's no problem we can transfer it if you decide to stay.

If you have any further questions, please let me know.

Sincerely,
Brenda Whitehead
