

Motions for Reduction of Sentence based on 18 USC 3582(c)

Effective: March 3, 2008

Given the time urgency in processing motions based on 18 USC 3582(c), the Court has determined that an exception to our *Electronic Case Filing Policies and Procedures* is warranted. Although most of the motions and related documents based on 18 USC 3582(c) will be filed in pre-ECF (paper) cases, the Alexandria Division is requiring attorneys to electronically file these documents. The rest of the case remains non-ECF (paper).
