

Electronic Filing and Service of Documents – Service of Documents to Non-Filing Users

Service of Documents to Non-Filing Users

A party who is not a registered filing user is entitled to a paper copy of any electronically filed document, as well as of the NEF that constitutes proof of filing. Therefore, filing users must provide non-filing users, including terminated parties or attorneys, if appropriate, with a paper copy of the document and a copy of the NEF, pursuant to Fed.R.Civ.P. 5(b) and Fed.R.Crim.P. 49(a). The service of a paper copy of the document and of the NEF is only necessary for documents filed by the filing user.
