

Electronic Filing and Service of Documents – Motions to Intervene in a Civil Case

Motions to Intervene in a Civil Case

Motions to intervene must be granted by the Court before filing users can file any documents other than the motion itself and any supporting memoranda. Filing users should attach any proposed documents to the motion to intervene. If the Court grants the motion, the filing user should then electronically file the documents.

Note: The filing user is required to add the intervening party as a movant during the process of electronically filing the motion (See *Filing Procedures: Adding/Creating a New Party*).
